ABOUT

Neighbor Face Film and Video is a full-service video production company located in Pasadena, CA specializing in producing impactful and informative video projects. Our services encompass a wide range of video production needs, including documentaries, special event programming, training videos, recruitment and testimonial videos, and informational video series tailored for Federal, State, and Local government agencies. Neighbor Face Productions, LLC is a registered vendor with the System for Award Management (SAM) and is designated as a Micro Small Business by the Small Business Administration.

APPROACH

We work closely with our clients to gain a deep understanding of their objectives, target audiences, messaging, and organizational culture. This understanding informs our recommendation of the most effective strategies to authentically convey their unique stories and achieve their desired impact on viewers.

Our unique creative skillset & flexibility allows us to tailor quality productions to match the tone and identity of our clients' brands, whether they require an edgy, humorous, or serious approach. From conceptualization to completion, we manage every aspect of the process, including scriptwriting, filming, editing, graphics, animation, voiceover, and more.

Let Neighbor Face demonstrate the power of your message through professional productions designed for various platforms. Our storytelling expertise is designed to capture attention, inspire action, and deliver results. We are committed to creating video content that clearly communicates our clients' goals, engages their audiences, and surpasses expectations for established key performance indicators.
